

# Waves, Wetlands, and Watersheds

**FREE teacher workshop offered by the  
California Coastal Commission and Turtle Bay Exploration Park**

**WHEN:** Wednesday, September 28, 2011, 3:30-5:30pm

**WHERE:** Turtle Bay Exploration Park  
840 Sundial Bridge Drive, Redding

At this workshop, you will receive a FREE copy of the California Coastal Commission's science activity guide for teachers, *Waves, Wetlands, and Watersheds*. You'll try some of the activities in the guide and get an overview of other free educational resources and programs the Coastal Commission has available.

Space is limited. **Please register before September 26<sup>th</sup>** with Annie Kohut Frankel at [afrankel@coastal.ca.gov](mailto:afrankel@coastal.ca.gov), (415) 597-5888, or (800) Coast4U. Include the spelling of your name, email, phone number, grade(s) taught and your school or organization as applicable.

Professional growth credit offered through the University of the Pacific (when additional work is performed). Details available upon request.

\* \* \*

*Waves, Wetlands, and Watersheds* is a classroom activity guide for teachers that addresses California's coastal and marine issues such as endangered species, marine debris, coastal geology, water use, and more. It is carefully aligned to the California State Science Content Standards for grades 3 through 8, and includes Community Action lessons adaptable for all ages up to and beyond grade 12. The connection between inland areas and the ocean is emphasized throughout, so the lessons are relevant for students living in all regions of California.

**TURTLE BAY**  
**EXPLORATION PARK.**  
*Human. Nature.*
